

MYFCL Parents Code of Conduct

Parents are expected to:

1. Look out for your child's best interest as they enter, participate in, and exit from the sport.
2. Be mindful of other teams and leagues best interest.
3. Ensure that players are able to meet expectations for the sport by making sure they are prepared and on time to practice and play.
4. Monitor your own expectations of your child's performance and progress; realizing that athletes who feel they can not meet their parent's expectations may quickly lose motivation.
5. A parent/legal guardian or a designated person **MUST** be present at ALL PRACTICES, GAMES, & EVENTS. **Please let your coach know if someone other than a parent or guardian will be leaving with your child. In addition, if you have someone who is not permitted to take your child from practices or games, please inform your child's coach or a MYFCL Board member.**
6. Turn in paperwork, fees, and fundraising by the given deadlines.
7. Commit to the specified fundraising activities that fund part of the overall program.
8. Respect the rules of the practice and playing facilities regarding parking, smoking, and drinking alcohol etc...
9. No interference or yelling instructions to the players, coaches, or officials during games or practices.
10. Accept a mistake made by a player, coach, or official without yelling at them.
11. Parents are required to take a 24-hour "cool down" period before contacting a coach about an issue. It is recommended to contact a member of the executive board to set up a meeting with the coach, parent, and board members.
12. Respect that no parent is allowed on the practice or game field at ANY time without permission of the head coach or coaching staff.
13. Understand that any verbal abuse or threat to any member of the MYFCL coaching staff, board members, parents or family members of a player will result in immediate dismissal of that player and where appropriate criminal charges will be pursued. There are NO EXCEPTIONS. The people involved in the MYFCL are here to help coach your son/daughter, take care of minor injuries, or manage the team and the volunteers who give up their time, so your child has a team to play on. Without them, there would not be a MYFCL, they deserve your courtesy and respect at all times.
14. I certify I will receive equipment that is marked and issued by the MYFCL and understand that the equipment is owned by MYFCL. I understand that at the end of the season, all equipment is to be returned to the MYFCL. I understand there will be a set return day and I will be there to return equipment. I understand that I am required to remove any stickers or name tags that I have placed on the equipment during the season. I will clean and wash all equipment prior to turning in. I understand that if I neglect to turn in or lose the equipment, I may be charged for that item or items up to \$350.00 for complete uniform.
